AP English Literature & Composition Master Vocabulary List

- Quizzes will be as follows: I will pronounce a word and you will spell it correctly, define it, and use it in a sentence with contextual clues that help define it further.
- You will also be expected to write sentences that follow certain sentence patterns or types. There are two reasons we do this:
 - Learn to recognize syntactical patterns.
 - Improve personal style; by being able to use a variety of sentence types, you will improve your sentence fluency and ability to write emphatic prose. See **Appendix A** for the list of types, explanations, and examples.
- I suggest you know the part of speech; if the word functions equally as two parts of speech (a noun and a verb, for example) know the meanings for each.

Defining words:

- You may use synonyms to define, but you need at least three of them.
- You must use a definition that makes sense to you.
- Your definition should "match" the part of speech. For example if the word is *din*, a noun, the definition would not be "noisy," which would be a definition for an adjective. Instead write, a noise, a clamor. Use noun phrases to define nouns.
- You may not define a word using the word.
- I suggest using The American Heritage Dictionary, college version.
- When you write your sentences, you may use various forms of the word: adjective, adverb, or any verb tense, provided you use the form correctly.
- You will lose points for your sentence for the following reasons:
 - A comma splice, a fragment, a run on, a subject-verb agreement error, or any other serious grammatical error.
 - You convert the word to a part of speech that is not correct; for example, you try to make a noun serve as a verb.
 - You do not follow sentence pattern as indicated.
 - You do not provide sufficient context clues.
 - The sentence is awkward and difficult to understand.
 - The sentence makes no sense.
- You should use this master list as your definition guide and to keep track of which words to study.
- This list will be used both semesters; don't lose it! You do not hand it in.
- Please also consult the **appendices** at the end of this list for more on:
 - Sentence patterns and examples
 - Transitive vs. intransitive verbs
 - Notes to AP students on vocabulary quizzes
 - List of subordinating conjunctions
