Marble Math App Review Common Sense Media

Parents need to know that Marble Math makes practicing math fun for kids. While it may not seem like they're working on math as they move a marble through various mazes, kids are practicing a multitude of math and critical thinking skills in order to answer the given challenges.

Marble Math Junior App Review Common Sense Media

Parents need to know that Marble Math Junior is a younger kids' version of the excellent math app, Marble Math. Like its counterpart, Marble Math Junior is an ingenious app that combines a marble maze game with math word problems. Since this version is for early readers, players can hear the problems read aloud by touching the words at the top of the screen.
