How To Add A Signature To Your Apple Mail EMails Dummies

The Apple Mail application included with Mac OS X Snow Leopard lets you add a signature to your emails. To add a block of text or a graphic to the bottom of your messages as your personal signature, follow these steps:

MacBook Pro Technical Specifications Apple

Complete technical specifications for MacBook Pro, including processor speeds, hard drive space, memory, and more.

System 7 Wikipedia

System 7 (codenamed Big Bang and sometimes retrospectively called Mac OS 7) is a graphical user interface-based operating system for Macintosh computers and is part of the classic Mac OS series of operating systems. It was introduced on May 13, 1991, by Apple Computer, Inc. It succeeded System 6, and was the main Macintosh operating system until it was succeeded by Mac OS 8 in 1997.

Aqua User Interface Wikipedia

Aqua is the graphical user interface (GUI) and visual theme of Apple's macOS operating system. It was originally based on the theme of water, with droplet-like components and a liberal use of reflection effects and translucency. Its goal is to incorporate color, depth, translucence, and

complex textures into a visually appealing interface in macOS applications.
