Marketing Strategy How To Develop Killer Strategies Foundr

According to a study by Smart Insights, 46% of brands don't have a defined digital marketing strategy yet, and 16% do have a strategy but haven't put it into effect yet. That means that more than half of the businesses out there aren't getting the exposure and customers they could be, simply because people don't know even know they exist yet.

Marketing Strategy Wikipedia

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.
