

Applied Mathematics Phd

Pure and Applied Mathematics Graduate Study at Duke University

Faculty Research Expertise

Geometry

Algebraic Geometry: P. Aspinwall, R. Hain, E. Miller, C. Schoen • Symplectic Geometry: L. Ng • Differential Geometry and Geometric Analysis: H. Bray, A. Petters, L. Saper, M. Stern

Topology

Algebraic Topology: R. Hain, W. Pardon, L. Saper • Geometric Topology: J. Harer, L. Ng

Algebra & Number Theory

R. Calderbank, J. Gatz, R. Hain, E. Miller, L. Pierce, L. Saper, C. Schoen

Mathematical Physics

General Relativity: H. Bray, A. Petters • String Theory: P. Aspinwall, R. Plesser, M. Stern

Probability & Stochastic Analysis

R. Calderbank, R. Durrett, J. Lu, M. Maggioni, J. Mattingly, S. Mukherjee, J. Nolan

The Graduate Program

The graduate program in mathematics at Duke University provides a stimulating and supportive atmosphere for learning and research. Our graduate students pursue studies in pure or applied fields, leading to careers in academics, industry, and business. All doctoral students making satisfactory progress receive full financial support for five years of study.

Duke University

Duke University is consistently ranked in the top ten universities in the United States. Its outstanding computational resources and extensive library collections serve world-class research across the sciences and humanities. The university is located in the Raleigh-Durham-Chapel Hill Triangle area of North Carolina, a thriving hub of technology and research.

Duke University is an affirmative action/equal opportunity institution.

Analysis & Partial Differential Equations

Analysis: M. Reed • Harmonic Analysis: R. Calderbank, I. Daubechies, M. Maggioni, L. Pierce • Partial Differential Equations: T. Beale, J.-G. Liu, J. Lu, J. Mattingly, J. Nolan, M. Stern, T. Witalski • Integrable Systems: S. Venakides

Numerical Analysis & Scientific Computing

Multiscale Methods: I. Daubechies, A. Layton, J.-G. Liu, J. Lu, M. Maggioni, J. Mattingly, J. Nolan • Computational Geometry and Topology: P. Aspinwall, J. Harer, E. Miller

Mathematical Biology

Computational and Systems Biology: J. Harer, E. Miller, S. Mukherjee • Cancer Modeling: R. Durrett • Mathematical Physiology and Cell Biology: A. Layton, H. Layton, J. Mattingly, M. Reed, S. Venakides

Fluid Dynamics

T. Beale, J.-G. Liu, J. Mattingly, T. Witalski

The Graduate Faculty

Advanced courses and lively seminar series are held in the areas of our faculty's expertise in pure and applied mathematics. Many faculty members also participate in interdisciplinary research collaborations in subjects such as biology, chemistry, computer science, engineering, physics, and statistics.

Director of Graduate Studies
Department of Mathematics
Duke University, Box 90320
Durham, NC 27708-0320, USA

Application Deadline: January 3, 2014

[DOWNLOAD] Applied Mathematics Phd. Simon Billinge, a Professor of Materials Science and Engineering and Applied Physics and Applied Mathematics and a Scientist at Brookhaven National Laboratory, and APAM alumn, Dr. Chenyang Shi (Ph.D. 2015, Materials Science and Engineering), were recently featured in the following article by Mary Alexandra Agner. It was originally published as highlight on the Advanced Photon Source/Argonne ... Applied Physics And Applied Math

[PDF EBOOKS] Applied Mathematics Phd. Book file PDF easily for everyone and every device. You can download and read online Applied Mathematics Phd file PDF Book only if you are registered here. And also You can download or read online all Book PDF file that related with Applied Mathematics Phd book. Happy reading Applied Mathematics Phd Book everyone. Download file Free Book PDF Applied Mathematics Phd at Complete PDF Library. This Book have some digital formats such us : paperbook, ebook, kindle, epub, and another formats. Here is The Complete PDF Book Library. It's free to register here to get Book file PDF Applied Mathematics Phd.

BCAM Basque Center For Applied Mathematics

BCAM - The Basque Center for Applied Mathematics . BCAM is the research center on applied mathematics created with the support of the Basque Government and the University of the Basque Country, which aims to strengthen the Basque science and technology system, by performing interdisciplinary research in the frontiers of mathematics, talented scientists's training and attraction, and

MIT Mathematics

Ewain Gwynne Named Clay Research Fellow. Congratulations to Ewain Gwynne PhD '18, who has been named a 2019 Clay Research Fellow. Ewain, whose PhD advisor was Scott Sheffield, is now a postdoc at the University of Cambridge.. Clay Research Fellows are recent PhDs who are selected for their research and their potential to become leaders in research mathematics.

Unibonnde Institute For Applied Mathematics Home

Den Hausdorff Memorial Prize for the best PhD-work 2018 der Fachgruppe Mathematik erhielt Frau Eva Kopfer aus der Stochastischen Analysis (Prof. Dr. T. Sturm). (26.01.2019)

Mathematics Amp Statistics KFUPM

Report of the National Commission for Academic Accreditation Assessment The Mathematics Program in the College of Sciences at King Fahd University of Petroleum and Minerals is accredited by the National Commission for Academic Accreditation Assessment for the Period May 2015 to April 2022 and agrees to uphold the NCAAA Standards for the Quality Assurance and accreditation of

Programs And Degrees NYU Steinhardt

Explore our highly ranked degree programs across our 11 academic departments, or filter by degree, level of study, area of study, or keyword.. NYU Steinhardt offers over 100 programs in teacher education, applied psychology, the arts, communications, and health at [NYU Steinhardt](#)

Department Of Mathematics Brandeis University

The Department of Mathematics at Brandeis combines the informality, flexibility and general friendliness of a small department with the intellectual vigor of a faculty whose research accomplishments have placed it among the top departments in the country.

Harvard John A Paulson School Of Engineering And Applied

Biocompatible sensor could be used in diagnostics, therapeutics, human-computer interfaces, and virtual reality [Learn more...](#)

Center For Applied Mathematics And Theoretical Physics

CAMTP: Staff Research - Theses and research positions available [Call for Applications for a PhD position in Mathematics 2018 Seminars Library](#)
University of Maribor European Academy of Sciences and Arts (Salzburg)

Department Of Mathematics Faculty Of Natural Sciences

The Department of Mathematics at Imperial College London is an internationally renowned department within one of the world's most prestigious universities.
